

Employer Interview Assignment

DUE: Integration Session #3 (Tuesday January 18th)

Marks: /30

-Interview someone from your work place (supervisor if possible)

-You are to determine his/her career path from high school graduation to today. Write a **one page report**.

Include the following:

1. High school – What were their strengths when they were in high school (academic, extra-curricular etc.)
2. Post secondary – Did they attend college or university? What courses did they take? If not college or university, did they do any schooling after high school?
3. Current Experiences- extra-curricular (now). Are they related to their work placement?
4. Explain his/her job description/duties
5. What is their attitude/opinion about his/her career?
6. What she/he could change about their career path choices?
